Safety Measures

Sheffield | Leeds | Doncaster | Derby

I Do Wedding Exhibitions

Promoting a Safe & Secure Event

We have been working hard to make sure all future I Do Wedding Exhibitions are safe for everyone attending, both the public and suppliers who exhibit.

Here's what to expect at our Sheffield wedding exhibition:

We are a face mask friendly event, although it is not mandatory, we encourage you to wear a face covering, especially when in crowded spaces.

We have widened the aisles at Ice Sheffield to give people more space to move around.

Ice Sheffield is already a well-ventilated venue due to it being an ice rink.

Hand sanitising stations will be situated throughout the exhibition and at the entrance to the show.

We will have more space around the catwalk area with seats more spaced out.

To ticketholders, you do not need to print off tickets to gain access to the exhibition, just show these on your phone at the registration desks.

We ask everyone attending the wedding exhibition that if you feel unwell, please take a PCR test and only attend if you receive a negative test result.

We are looking forward to welcoming you
to the I Do Sheffield Wedding Exhibition
and hope you enjoy the show.
